**Re: Withdrawal of Air Quality State Implementation Plans**

Dear Mr. Conroy:

I hereby withdraw the following air quality State Implementation Plans (SIPs), previously submitted by the Maine Department of Environmental Protection (DEP) to EPA.

**September 30, 1998 – Chapter 100 “Definitions Regulation”**

This SIP revision has been superseded by Maine’s February 8, 2006 submittal of this same rule which was approved by EPA on November 21, 2007.

In addition, I hereby withdraw the following SIP revision:

**September 1, 1996 – Stage II vapor recovery comparability demonstration**

Maine has revised Chapter 118 to allow for the decommissioning of Stage II systems and will be submitting the revised rule and emissions analysis to EPA in the near future.

If you have any questions on this issue, please contact Jeff Crawford, at 207-287-7647.

Sincerely,

Marc Cone, Director  
Bureau of Air Quality
